All orders are F.O.B. shipping point. Title and risk of loss shall pass to customer at Southwire's shipping point. Orders New York City, Alaska or Hawaii are subject to additional transportation cost. Means, route and agency of transportation shall be designated by Southwire. Otherwise, customers will be invoiced for any transportation charges exceeding the lowest applicable cost to serve. Rates for "Prepay and Charge" are determined based on Southwire's contracted rate to provide delivery to destination dock for the specific order referenced on the invoice, plus appropriate handling and processing fees.
